SPECIAL INTEREST GROUPS

Dear friends,

I thought that once my three children got back on schedule at their three schools, things would slow down a bit and I could catch my breath after the summer whirlwind. Somehow that never really happens, does it?

The Medical University Women's Club is back in full swing too. As our clubs, activities, and interest groups continue or resume, I hope you'll be able to join us. The list is at left and there is something for everyone. My husband even heard about the Supper Club from an MUSC colleague because the men get to join us, so I will add my name to that list.

We are so excited about our scholarship program. This year we will give a total of $15,000 to students from the MUSC colleges. The recipients are to join us at our annual Membership Coffee on September 17. I encourage you to attend to meet these accomplished students and to socialize with old and new friends. As always, you are welcome to bring potential new members to the coffee to meet our MUWC group and learn more about the
