MESSAGE FROM THE PRESIDENT
February – the month of 💖

We will be showing our love on the 21st from 10-2 by arranging and delivering “Posies for Patients” at MUSC. Please contact our committee chair, Terri DeVane, if you would like to contribute funds to purchase the vases and flowers or if you would like to help that day. This is one of our most fun and rewarding projects that takes place at MUSC’s main hospital. Please see the informative article below.

With the Holidays behind us and Spring ahead, it’s time to begin the search for members to fill positions on the MUWC Board and Committees. Are you looking to get involved? We need you! Please email me for more information.

Until next month,

Tiffany

On a high bluff of the Santee River, the Battery Warren Trail goes through mixed hardwood & pine forests. The trail ends at Battery Warren, a Civil War earthen fort overlooking the South Santee River. The trail was damaged by flooding in October 2015 and has been repaired but is rough in spots. The walk takes about 15 minutes each way.
