**Our Posies for Patients Project** was a wonderful success! Fifteen MUWC members, joined by two helpers from the Volunteer Center, gathered to create over 235 bouquets which were delivered with good cheer to patients and staff in the main hospital, Children's Hospital, and ART. Many thanks to Kelly Hedges, Program Manager of Volunteer Services, who facilitated the project and insured that everything ran smoothly!

MUWC's Annual Hike & Picnic
Santee Coastal Reserve Wildlife Area
Saturday, March 4th at 10 am
(Rain date March 11th)
MUWC families, guests, and dogs on leash welcome!
With Guide: Ken Patrick
We will rendezvous at 10:00am: Mt. Pleasant Kohl's parking lot (behind a McDonald's) on 17N, two stoplights past the highway 41 intersection where carpooling can be arranged. Our route is up highway 17N approximately 6 miles past McClellanville.

Description: The ~4 mile hike will take us through a wildlife paradise last utilized as a 1700s rice plantation and now managed by the SC Department of Natural Resources. Alternatively, an adjacent ½ mile round trip trail allows little-known access to the brick foundation and arches of the original plantation mansion.

Being mostly open terrain, windbreakers and layered clothing is advisable. We plan to stop at the Sewee Outpost on the way out to pickup deli sandwiches for a picnic on the splendid visitor's center porch - Unfortunately it is not open on weekends, so No Restrooms.
