Target Audience
This conference is designed for psychiatrists, pediatricians, family physicians, psychologists, social workers, counselors, primary care physicians, physician assistants, and other professionals with an interest in child and adolescent Mental Health.

Statement Of Purpose
Child and adolescent mental health is extremely important to understand for all providers because childhood mental health affects and impacts adult patients as well. A disorder in childhood affects activities of daily living, adaptive coping, interpersonal interactions and many other aspects of life including treatment adherence and many other public health issues. Practitioners should understand that the entire lifespan of experiences contributes to who the person is in present day, and better understanding child and adolescent mental health will provide a better conceptualization for treatment.

Program Objectives
At the end of this program, participants will be able to:
• Discuss disorders and life experiences in childhood that could have an effect on patients during adulthood; evaluate these patients and prescribe appropriate evidence-based therapies accordingly.
• Identify specific approaches to diagnosis and treatment of children and adolescents and how they may differ from treating an adult population.
• Describe evidence-based substance use screening methods that can be efficiently performed in clinical practice.
• Identify a range of barriers to provider fidelity and child engagement in behavioral treatment.
• Make an appropriate assessment of obese children and adolescents who might be at risk for increased risks of specific mental illnesses.
• Explain the diagnostic criteria for Disruptive Mood Dysregulation Disorder (DMDD) and Bipolar Disorder in youth.

Credit Designation
• The Medical University of South Carolina designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
• The SC Board of Examiners in Psychology will approve 12.0 Category A credits.
• The SC Board of Social Work Examiners will approve 11.0 general contact hours and 1.0 designated social work contact hour.
• The SC Board of Examiners for Licensure of Professional Counselors, Marriage and Family Therapists and Psycho-Educational Specialists will approve 12.0 hours of continuing education credit.

Accreditation
The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
Registration Information
Registration fee includes conference materials, continuing education processing, continental breakfasts, and breaks each day. Please note that the deadline to register for this event is June 1. If you do not receive a confirmation letter within two weeks of registering, please call (843) 792-0175 to ensure your registration has been received.

Registration fees are transferable from one registrant to another. Cancellation requests must be received by May 21 for a full refund. Cancellations received after May 21 will be subject to a $50 cancellation fee. Refunds will not be issued after the conference.

Venue and Parking
All sessions of this conference will be held on the beautiful MUSC campus in the new state-of-the-art Bioengineering Building, in the heart of downtown Charleston.

Please plan to arrive early. Traffic into Charleston can be extremely congested and parking around MUSC is limited. It is strongly recommended that you carpool if possible. Parking is available in the MUSC Jonathan Lucas Street Garage (97 Jonathan Lucas Street, not the Roper garage), the Courtenay Drive Garage (21 Courtenay Drive), and the Ashley Rutledge Parking Garage (158 Ashley Avenue). Parking fees are the responsibility of the attendee.

Francis Marion Hotel
A block of rooms has been reserved for conference attendees at a rate of $229.00 + tax per night. Please call the hotel by Tuesday, May 5 at 5:00 p.m. at (877) 756-2121 to reserve your room(s). Be sure to let them know that you are with the conference. Our contracted rate is not guaranteed after this date.

Francis Marion Hotel || 387 King Street || Charleston, SC 29403

Spoleto Festival USA
Spoleto Festival USA is an internationally acclaimed 17 day celebration of the performing and visual arts featuring performances of opera, dance, music, and theater in venues throughout historic Charleston. Because of the popularity of the festival, early reservations are strongly suggested.

This year’s festival begins May 22 and concludes June 7. For more information, visit www.spoletofestivalusa.org or call the box office at (843) 579-3100.

Americans With Disabilities Act
It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you need the services of the auxiliary aids mentioned in this act in order to fully participate in this activity, please bring this to our attention upon registering for the event.

Disclosure
In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.
